QUOTE OF THE WEEK

Think twice before you speak, because your words and influence will plant the seed of either success or failure in the mind of another.

Napoleon Hill

PRESCHOOL

STAGE 5 FOOD TECHNOLOGY

WHAT'S IN A BOX AT PRESCHOOL

It is only a box, but what fun you can have with it! The ladies in the office have a fancy new paper shredder, Preschool has a box. I think we got the best part of it. With these simple boxes the children are imagining and creating roles, sharing stories, using creative arts to express ideas and make meaning and just having fun with friends.

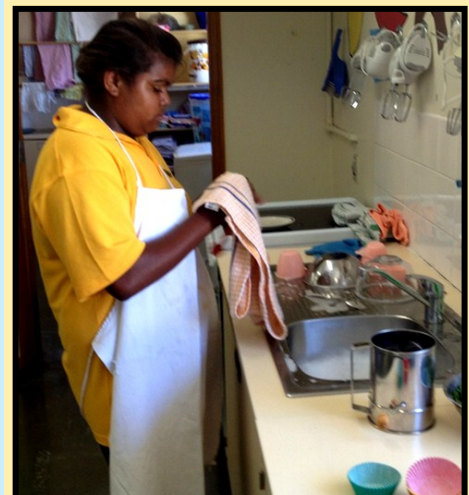

We support the children's creativity and allow it to flourish. Children start with what is familiar and with encouragement go into the unfamiliar. They make a place for the babies, or jump like a 'jack in the box' shouting surprise or they begin to colour just because they can. As they go on with the activity educators offer felt tip pens, it is better than pencil on bumpy card, then glue and other craft pieces can be added as the days go on. No activity needs to finish at home time.

In this way we support their sense of ownership and allow them to be responsible for equipment and ideas and friends

Miss Jennifer and Miss Nat

Stage 5 students are exploring Nutrition and Consumption and spent last week looking at why vitamins and nutrients are needed for our bodies. They explored the six nutrient groups and cooked Tandoori chicken and baby spinach wraps.

Careers

KINDERGARTEN / YEAR 1 NEWS

Kinder / Year 1 students have been learning about plants and what they need to grow.

They have created artworks to show how a seed grows into a plant and have planted their own seeds.

Mrs S. Makila

TAFE

Our students are learning how to remove makeup and cleanse a face with a light massage.

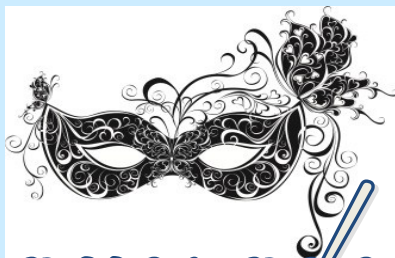

They have investigated safety procedures at a beauty salon and examples of contraindications that they may face in the work place such as clients with conjunctivitis or herpes.

McKECHNIE SHIELD—MOREE

21 FEBRUARY 2013

STARTS—9:00 AM

Masquerade Ball

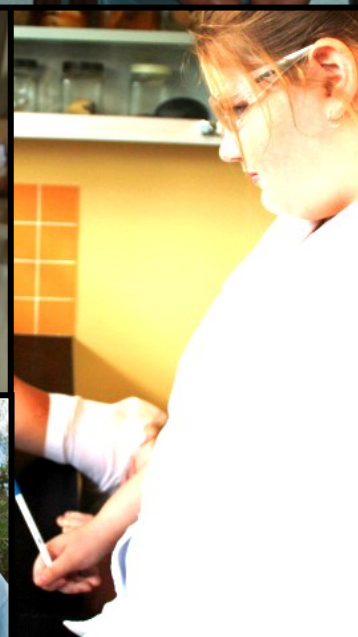

Mungindi Central School P & C

The Ball is planned for Saturday the 10 May, 2014. We will be sending out invites, so if you have anyone that you would like an invite sent to please drop into the pharmacy and leave the details or contact the P and C via our face book page.

We are raffling a table for the night. The prize includes 10 tickets and is valued at \$1,100.00 and will include Canapés, three course meal by Relish and music by the Moocher's. Tickets will be \$2.00 each or 3 for \$5.00 and will be drawn on the 1 March 2014.

If anyone would like tickets to sell during the holidays, ticket books can be collected from Kel's Chemist.

Find us at MCS P&C for updates and event information

HOSPITALITY

Stage 5

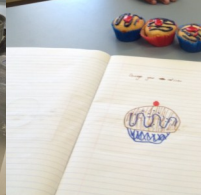

Hospitality met with their new teacher Jenny from Tamworth TAFE. Jenny will be visiting every fortnight to deliver the practical component of the Hospitality course. The students explored hygiene using a UV light to detect germs that may still be present on their hands if they have not scrubbed their hands enough or removed jewellery. They explored the Hospitality kitchen and then baked some scones and made some spider drinks.

Stage 4

This term students are investigating Egg Production and Fresh Produce. Last week we planted some new seeds, watermelon, beans and cucumbers. They also weeded and watered the garden. Devon worked hard at fixing the chicken coop and is designing new perches for the chickens.

Students then explored recipes that use eggs and they designed a cupcake for a birthday party and cooked and decorated the cupcake.
