## NEWSLETTER

### FOOTY COLOURS DAY

There was a plethora of colours at school last Friday as staff and students stepped up by being brave enough to wear their favourite footy colours to support Children with Cancer. A generous effort from donations saw a fantastic amount of \$100 raised.

The playground was filled with a large influx of local Grasshoppers, Eels, a Titan, a Cowboy or two, a few mighty NSW Blues, Rabbits galore and Raiders and a couple of brave Queenslanders managed to turn up and of course a pack of deadly Bulldogs running about.

Surprisingly even a lost Springbok and Swan found their way to our fun Footy Friday day as well as a retro Magpie. It was a super way for our school to show our school spirit, favourite footy colours and help others in need.

## PRESCHOOL CAPERS

### BEGINNING OUR ORIENTATION PROGRAM

On Wednesday, 2019 Preschool children were very busy supporting next year's preschool students in our first step in our orientation plan. The Community Preschool came to visit and explore our environment. The current preschool students supported our visitors by showing them how to feed the animals, showing them what is available in the shed, setting up the digging patch with trucks and excavators and showing them how to use the monkey bars and playing on the equipment safely. We are looking forward to next weeks visit when we share our inside environment.

### TEDDY BEAR'S PICNIC

We continued to form relationships with the students from Community Preschool by joining in at the Mungindi Community Library to play Little Bear Picnic games and participate in craft activities.

## LOST PROPERTY

On Thursday 4 July, 2019 a set of car keys were lost / misplaced somewhere on the school grounds. If these keys have been found, please return them to the Administration Office as soon as possible. There will be a reward for the return of the keys.

## PRIMARY ART

The year 3/4/5/6 Primary class has been learning how to create a lovely artwork. The students used paper collage and cut out animal designs to achieve the result in the photo. The artworks are being displayed in the Administration Office until the end of term.

## AECG CAMP AT LAKE KEEPIT

Ms Barker and I had the privilege of accompanying four of Mungindi Central School's students to an AECG (Aboriginal Educational & Consultative Group Inc) camp at Lake Keepit Sport and Recreation Centre. We left school Monday morning, arriving at our destination in the afternoon after a few stops for refreshments and shopping. After a lovely dinner we all had an early lights out, getting a good night's rest for the next day's activities.

Students were grouped together and participated in all activities as a team. Our students were in the green group and they started off with a **Health and Wellbeing** info session. Heart rates, reaction skills, grip strength, balancing ability and free from bacteria hands were tested, looked at and monitored. During the next session on **Oral Health, Nutrition and Wellbeing** they learned about maintaining a good diet,

the effect sugar has on your teeth and general wellbeing. The students learned how to read and convert the sugar content in products. We were all amazed at the quantity of sugar we consume when drinking these drinks, even those which are supposed to be 'healthy'. The following session was

**Media.** The students participated in activities helping them to be effective communicators, being confident and asking pertinent and appropriate questions. The students wrote down things that make them happy and excited. Their dreams and what they would like to do or become later in life were also jotted down. A few interviews were held practising their communication skills. The last session for the

the day was with the **Sydney Sixers**. The students' cricket playing skills were addressed and improved while having a lot of fun. All students had two hours free time before dinner and the friendships which were formed earlier in the day were further strengthened.

After a lovely dinner our **Night Activities** included being entertained by **Loren Ryan** (country singer from Tamworth who participated in The Voice) singing beautiful original songs in Language and other songs. **Tom Barker**, Ms Barker's cousin, shared interesting stories told to the family over many years by his grandfather and great grandfather. He had many examples of equipment, tools and weapons used by the Aboriginal people made of wood, many of them by himself.

Wednesday was **Cricket Gala** time and over the course of three hours, eight different teams competed against each other and good sportsmanship and participation were evident. We are proud of our two students, **Marley** and **Blade** who made sure their team came out as the champions. Well done gentlemen, you did well!! **Keely** and **Laney** managed to hit a few good balls, made more runs and had fun at bowling. Good sportsmanship ladies!!

Our students formed friendships with Walgett High School students and had great time sharing meals, chit chatting, competing in activities and playing footy.

Well, after another lovely lunch, goodbyes and friendship hugs were exchanged and we started our journey home. We all had a marvellous time and what a privilege it was for all to have been invited to such a worthwhile sporting and cultural experience.

# Rural and regional school travel

Apply online for free school travel in rural and regional NSW. You only need to complete one form, even for journeys using more than one operator.

## Who can apply?

To be eligible for free school travel, students may need to live a minimum distance from their school:

### Years K-2 (Infants)

There is no minimum distance.

### Years 3-6 (Primary)

More than 1.6km straight line distance or at least 2.3km walking.

### Years 7-12 (Secondary)

More than 2.0km straight line distance or at least 2.9km walking.

## Who needs to apply

You only need to apply if the student has never been approved for free school travel before. Students in a shared parental responsibility situation (e.g. joint custody) should submit a separate application for both addresses.

## How to update your details

You need to update student details online if the student is changing their name, address, school or campus, or their Transport operator. You can update them at [apps.transport.nsw.gov.au/ssts/updatedetails#/updateDetails](https://apps.transport.nsw.gov.au/ssts/updatedetails#/updateDetails)

## Frequently asked questions

### Does the approved free travel include travel outside school hours?

Approved free school travel is only for travel to and from school. So for travel after hours, on weekends or during school holidays, students will need to buy a ticket.

### What if there's no public transport in my area?

In areas where there is no public transport, you may be able to get a subsidy for driving the student to school. For details, visit [transportnsw.info/school-students](https://transportnsw.info/school-students)

### How do I apply if the student needs to travel from two addresses because the parents live separately?

Each parent (or the student if aged 16 or over) needs to apply separately for each address. The same minimum distances apply.

## How to apply for free travel for the first time

You can apply for free school travel for next year from the start of Term 4 this year.

### Step 1

Once you have enrolled your child at the new school, apply online by giving your home address and telling us which bus company the student needs to travel with between home and school. You can apply online at [apps.transport.nsw.gov.au/ssts/home#/howToApply](https://apps.transport.nsw.gov.au/ssts/home#/howToApply)

### Step 2

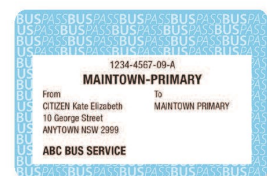

The school then confirms to us that your details are correct.

### Step 3

We will then work on your application. You will get an email confirming if the student is approved for free travel. If so, we will tell your local bus company who may send a school travel pass (if needed) to your school or, in some cases, the bus company will contact you directly about travel arrangements.

A parent or guardian must apply for students aged 15 years and under. Students who are 16 years and over must apply for themselves.
