Week 5

Term 4

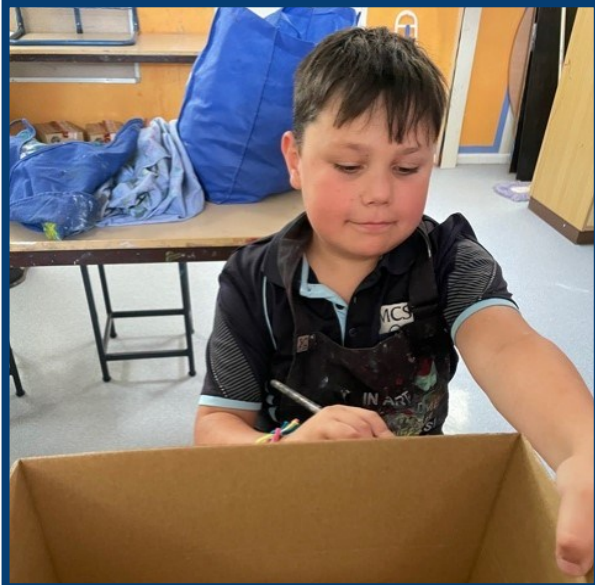

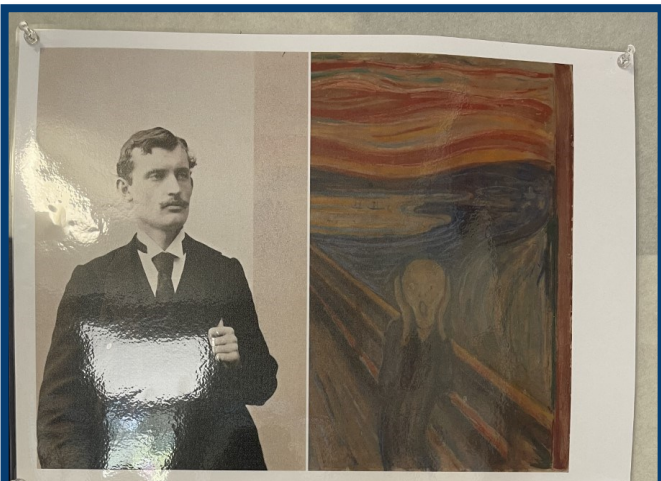

## We're going on a treasure hunt!

St 2/3 have been working hard for their REWARDS day at the end of this week - a treasure hunt to find their treats! In term 3, they began to look at world maps and grids to understand location and positioning. They got quite good at locating North, South, East and West as well as using specific words like "on top of" and "underneath" to pinpoint position. They have put two and two together and come up with their own idea of a treasure hunt for their reward in week 5! It will be such fun!

They have painted their treasure chests and have measured their perimeters (another big word we've learnt!) This week, they will continue to design their chests and earn their final stickers towards their lolly count, all whilst practicing to use a grid map of our location- school! We can't wait to see their final creations and have an awesome hunt on Friday!!!

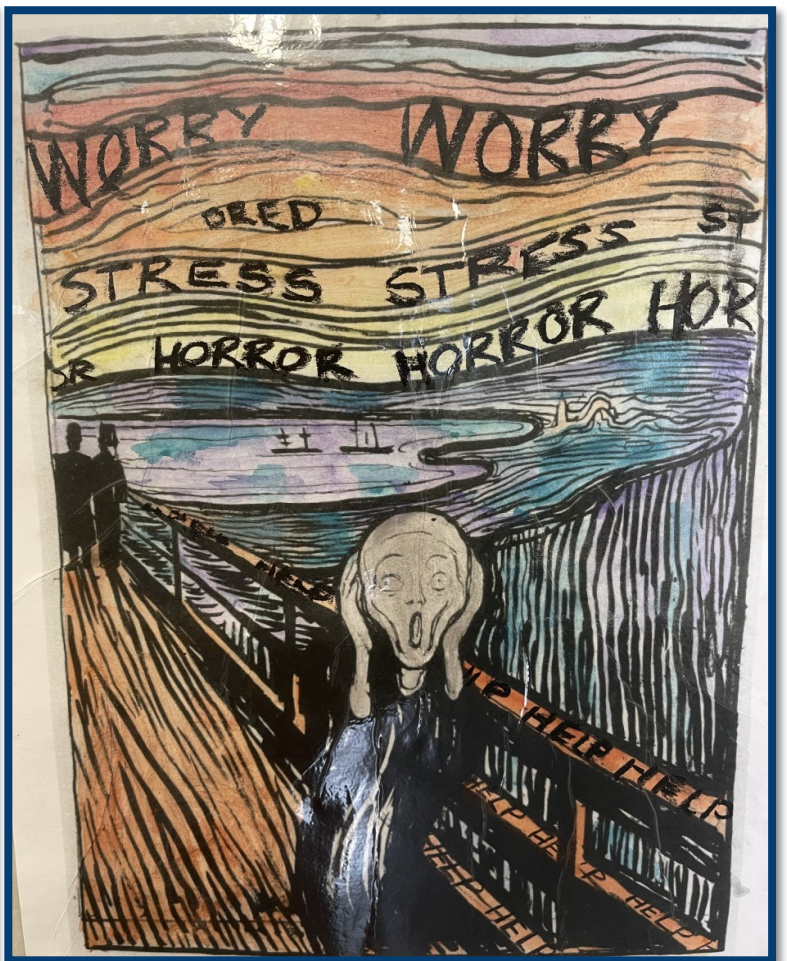

**The Scream, 1893  
by Edvard Munch**

A student's appropriation of the classic artwork by Edvard Munch.

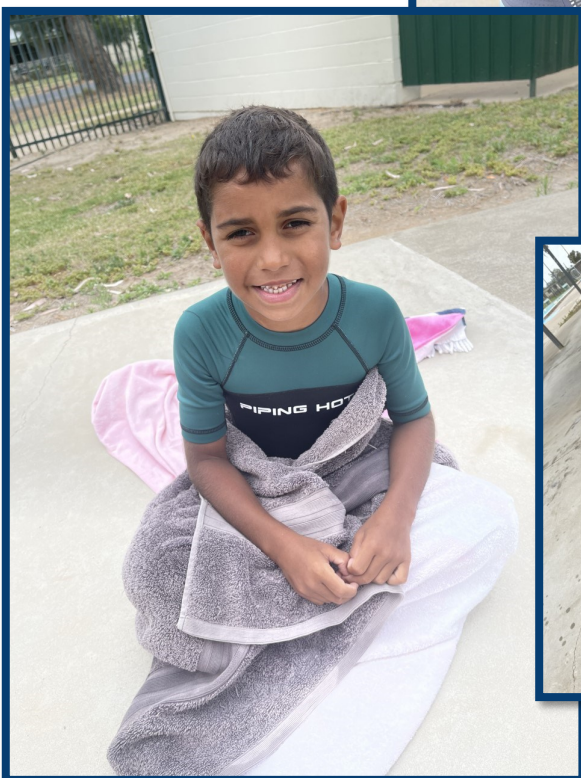

Mungindi Central School K-6 students are partaking in an AUSTSWIM Program.

The program runs every Monday at the local swimming pool with a total of 5 lessons this term. All lessons are taught by qualified AUSTSWIM instructors.

The AUSTSWIM program helps to teach students how to swim, stroke correction and safety in and around water.

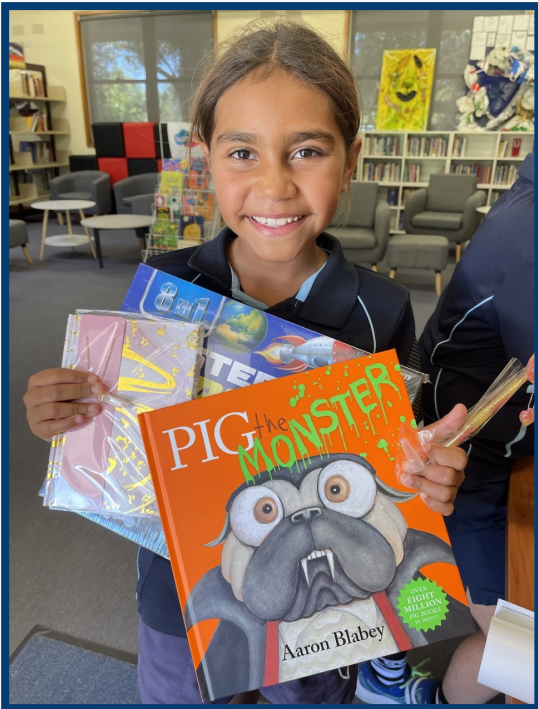

# STUDENT AWARDS

Congratulations Beau, Shakila, Melissa and Jamarius on receiving this weeks achievement award and Faith, Clay and Christopher on receiving the this weeks High Five Award. Keep up the good work!!

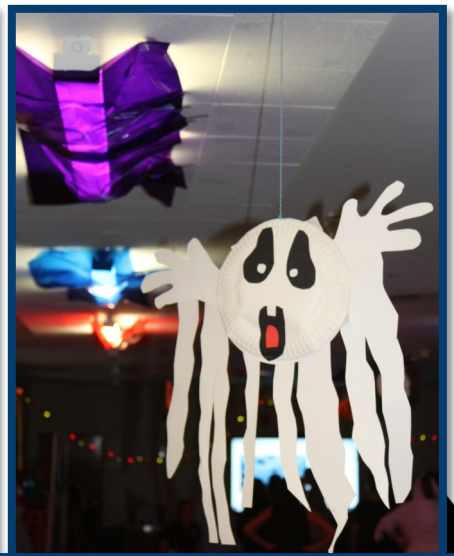

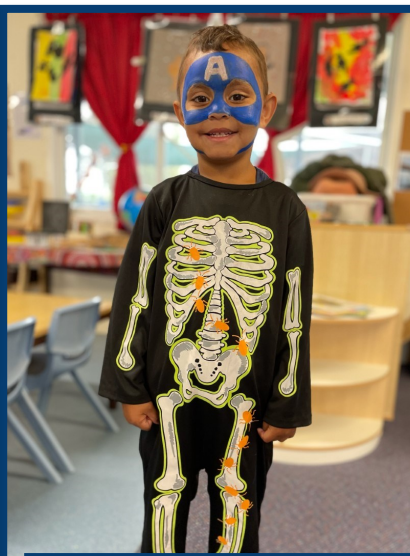

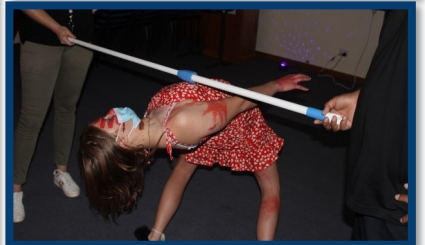

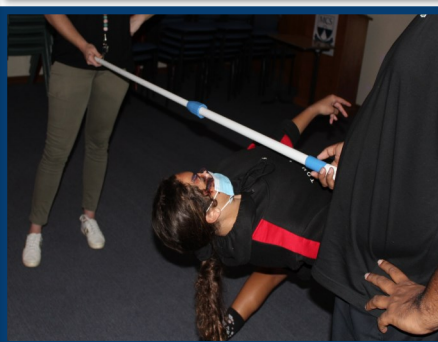

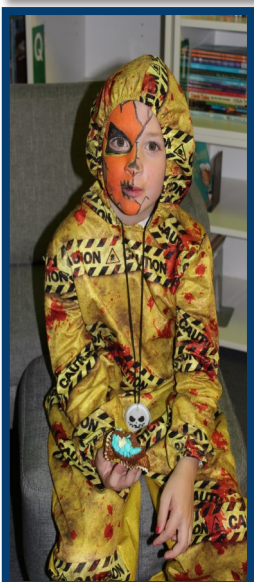

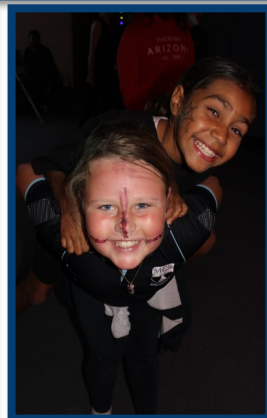

# BOOK FAIR

Thankyou Mr Peter Prince and Ms Sandra Prince for organising a Halloween disco for our students.

# Why attendance matters

When your child misses school they miss important opportunities to...

Learn

Build friendships

Develop life skills

## Minutes lost = days lost per year

A couple of minutes here and there doesn't seem like much, but...

When your child misses just... they miss days per year

Patterns of lateness can have a serious impact on your child's education.

## Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just... they miss weeks per year and years over their school life
